National High School Center EWS Collator Tools

- Designed two collator tools for each EWS tool (Middle Grades and High School)
 - Student Information Collator
 - Student Performance Collator
- Based the collator tools on feedback from EWS tool users
 - Eases data import process
 - Consolidates multiple student data files into one source file

Determine the Appropriate Collator

Which tool are you using?	Which page do you want to populate?	Which collator tool should you use?
EWS High School Tool	Student Information	High School Student Information Collator
	Student Performance	High School Performance Collator
EWS Middle Grades Tool	Student Information	Middle Grades Student Information Collator
	Student Performance	Middle Grades Performance Collator
