*Research Assistant, National High School Center*

***Laura Yerhot***

*Research Associate, National High School Center*

# Effectively Using Your EWS Reports: Hints and Tips

---

**Matthew Hauenstein**

# EWS Tool Reports

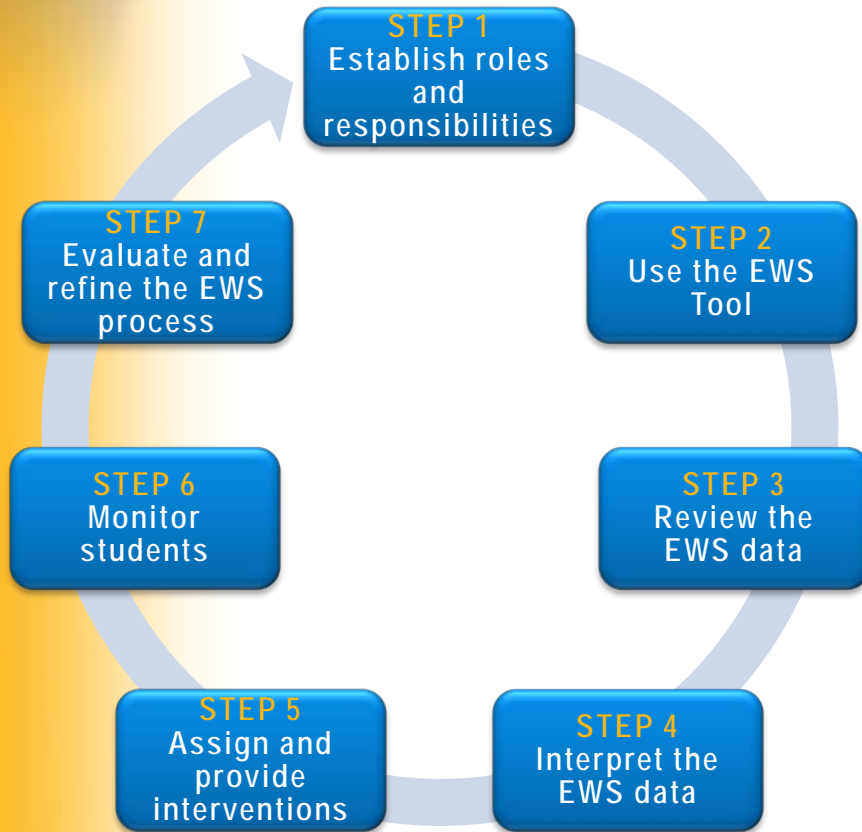

- Look at data at three levels:
  - School
  - Students
  - Individual students
- Sort data in multiple ways:
  - Time periods (e.g., quarters, semesters, trimesters)
  - Student characteristics (e.g., English Language Learners, students with disabilities, etc.)
  - Cohorts
- Assign students to interventions and monitor progress

# Demonstration of Select EWS Tool Reports

---

**Matthew Hauenstein**

# Selected Reports Demonstrated Today

- Step 3 – Review EWS Data
  - Student Risk Status Page
- Step 4 – Interpret the EWS data
  - Risk Indicator Summary Report: ELL
- Step 5 – Assign and provide interventions
  - Detailed Student Report
- Step 6 – Monitor students
  - Intervention Summary Report
- Step 7 – Evaluate and Refine
  - Enrollment Status Summary Report
